

Amendment after allowance

Application No. 10/007,281
Amendment under 37 CFR 1.312

Customer No. 01933

REMARKS

Claims 30 and 36 have been amended to change the term "mount" to "amount" in order to correct an obvious typographical error in each claim. No new matter has been added.

The amendments to claims 30 and 36 are necessary for the proper understanding of the claims, so as to properly protect the present invention, and the amendments to claims 30 and 36 were not presented earlier because the undersigned has only recently become aware of the errors in claims 30 and 36, which were newly added in the most recently filed Amendment.

It is respectfully submitted that no new search or examination is required, and that the amendments to claims 30 and 36 do not require any substantial amount of additional work on the part of the Office

It is respectfully submitted that claims 30 and 36 remain in condition for allowance, and it is respectfully requested that this Amendment under 37 CFR 1.312 be approved and entered.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned for prompt action.

Respectfully submitted,

Douglas Heltz
